2.3 In placing an order for the Products and/or Bespoke Products and/or Services the Customer confirms to JTL that the Customer accepts and understands these Terms and agrees to be bound by them. The Customer’s order is subject to confirmation and acceptance by JTL and a contract will only come into being upon such acceptance and confirmation in accordance with these Terms.

2.4 Unless otherwise stated, any Quotation issued by JTL is valid for acceptance for 30 days from the date thereof Provided that JTL has the right to withdraw the Quotation at any time.
3.1 In cases where the Customer is purchasing as a consumer and the Regulations apply, the Customer has the right to cancel their order for a full refund. However, this does not apply to:

3.1.1 Products and services where the price is dependent on fluctuations in the financial market, and cannot be controlled by JTL and which may occur within the cancellation period;

3.1.2 the supply of Bespoke Products or other Products made to the Customer’s specification or are clearly personalised;

3.1.3 the supply of Products which are liable to deteriorate or expire rapidly;

3.1.4 contracts where the Customer has specifically requested a visit from JTL for the purpose of carrying out urgent repairs or maintenance;

3.1.5 contracts made at public auction;

3.1.6 the supply of sealed audio or sealed video recordings or sealed computer software, if those products become unsealed after delivery;

3.1.7 the supply of accommodation, transport of goods, vehicle rental services, catering services related to leisure activities, if the contract provides for a specific date or period for performance;

3.1.8 Products that become mixed inseparably (according to their nature) with other items after delivery.

3.2 Where the Regulations apply, the Customer is entitled to cancel these Terms if the Customer so wishes, provided that the Customer exercises the right to cancel no longer than 14 days after delivery:

3.2.1 the day on which the Customer acquires a third party other than the carrier and indicated by the Customer acquires physical possession of the Products; or

3.2.2 in the case of a contract relating to multiple Products ordered by the Customer in one order and delivered separately, the day on which the Customer acquires or a third party other than the carrier and indicated by the Customer acquires physical possession of the last Product; or

3.2.3 in the case of a contract relating to delivery of Products consisting of multiple lots or pieces, the day on which the Customer acquires a third party other than the carrier and indicated by the Customer acquires physical possession of the last lot or piece; or

3.2.4 in the case of a contract for regular delivery of Products during a defined period of time and on a day on which the Customer acquires a third party other than the carrier and indicated by the Customer acquires physical possession of the first Product; or

3.2.5 in the case of Services the day of conclusion of the contract.

3.3 To cancel under this Clause 3, the Customer must inform JTL of their decision to cancel by a clear statement (for example, a letter sent by registered post to: JTL, 201 Hendon Way, London NW2 1JU or email to: info@jeran.com). The Customer can use the model cancellation form set out in Schedule 1 of these Terms but it is not obligatory.

3.4 In the event the Customer wishes to exercise their right of cancellation under the terms of this Clause 3, the Customer must retain possession of the Products and take reasonable care of them.

3.5 Unless JTL has offered to collect the Products or the Products were delivered to the Customer’s property when the contract was entered into and could not, by their very nature, normally be returned by post, the Customer should return the Products at the Customer’s cost within 14 days of such cancellation and JTL will reimburse the Customer (using the method used to pay for the original transaction unless the Customer agrees otherwise) the amount in relation to the Products to which the cancellation rights under this Clause Apply. This includes the cost of delivery, unless the Customer expressly chooses a kind of delivery costing more than the least expensive common and generally acceptable kind of delivery offered by JTL.

3.6 JTL will make the reimbursement to the Customer without undue delay and not later than:

3.6.114 days after the day on which it receives back from the Customer any Products supplied; or

3.6.2 if earlier) 14 days after the day the Customer provides evidence that the Customer has returned the Products; or

3.6.3 if no Products were supplied, 14 days after the day on which JTL is informed about the Customer’s decision to cancel this contract.

3.7 JTL has the right to be informed immediately of any refund due to the Customer, or request payment from the Customer, to reflect the loss in value of any Products supplied as a result of handling of the Products by the Customer beyond what is necessary to establish the nature, characteristics and functioning of the Products.

3.8 If the Customer wishes for and instructs JTL in writing to commence works and/or to supply and/or to provide Products and/or Services before the expiry of the relevant cancellation period referred to in this Clause 3, the Customer acknowledges and agrees that the Customer loses their right to cancel once the contract has been performed by JTL. If the Services or Products have been supplied by JTL have not been completed and the Customer cancels within the cancellation period, the Customer will have to pay for the part of the Services that JTL has carried out. If Products were supplied with Services, the Customer has the right to return the Products if the Customer cancelled within the relevant cancellation period but the Customer will be liable to pay for some or all of the Services provided.

4.1 The Customer hereby acknowledges that due to the nature of the Products and Bespoke Products and their production (for example, hand-made fibreglass) JTL cannot guarantee such matters as (but not limited to) any shade or colour matches to previously supplied materials, imperfections in the finishes and products themselves, or strict compliance with dimensions, quantities and weights. The Customer shall not be entitled to cancel the order or reject or return any Products or Bespoke Products unless there is a substantial difference in any shade or colour to previously supplied materials or a substantial difference in any dimensions, quantities and weights, or unless there is any damage or fault in the finishes and products themselves entitling the Customer to a remedy under Clause 10 of these Terms.

4.2 The Customer hereby acknowledges that:

If any services fall within these that may be damaged by the installation and/or JTL, the Customer shall be responsible for and will ensure (where necessary) that all required planning permissions, building regulations consent and/or any other consents or approvals or licences that may be required for the Products and/or Bespoke Products and their installation at the Property or at any other premises or property are obtained;
